

AMENDMENTS TO THE DRAWINGS

A “Replacement Sheet” is attached which includes a clean version of amended Fig. 1. The attached sheet replaces the original sheet including Fig. 1.

An “Annotated Sheet Showing Changes” is also attached which includes a marked-up version of Fig. 1.

Fig. 1 was amended to correct the label on element 106 to identify the element as the “External System” as identified in the application.

REMARKS

This amendment is filed pursuant to 37 C.F.R. §1.312 after allowance and before payment of the issue fee. This amendment is submitted to correct reference character discrepancies in the specification and drawings and typographical errors in the specification. The foregoing amendments do not introduce new matter into the specification.

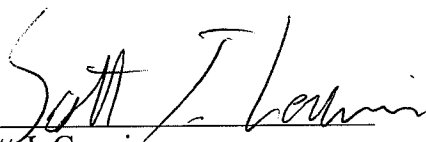

In Fig. 1, the label on element 106 as filed read "External Switch" when it should read "External System". For the Examiner's convenience, an annotated sheet showing the change to Fig. 1 is attached hereto. Support for the change to Fig. 1 can be found on page 8, lines 5-15 as well as elsewhere throughout the specification.

Accordingly, Applicant respectfully requests entry of these amendments by the Examiner at the earliest possible date. If it is determined that a telephone conference would expedite the prosecution of this application, the Examiner is invited to telephone the undersigned at the number given below.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 23/2825 under Docket No. S1022.80278US00 from which the undersigned is authorized to draw.
